A MESSAGE FROM YOUR PRESIDENT

DEAR MEMBER: I thought you might like to know that the founder of our property owners assoc. is none other than Mr. Jack Howard who resides at 24 Vermont. Jack, by the way, is a veteran of three wars. Jack called a few residents together back in 1975 and since then the association has continually grown. Last month your officers presented Mr. Howard with the very first NEWS BULLETIN published by your Association along with a letter of thanks for his achievement.

CONGRATULATIONS MR. DODD

Anyone who has seen and heard the O.B.G. Men's Chorus can realize what a long way, and what beautiful progress they have made under the fine direction of Harold. So fellows, congratulations to all of you on a job well done. We all hope to hear more from you in the very near future.

WOW! WHAT A DANCE

Our very first dance held by the association at the beautiful A.C.A. ENTERTAINMENT WORLD Fruitland Park. We are happy to report that it was a complete success. There were over (200) people in attendance and from all reports everyone had a fantastic time. Congratulations to all who have won prizes and a very big THANK YOU to all of you who have helped us in making it a BIG success. Too bad it could not have been held in our own club house.

MR. LEGS

Those of you who have attended our dance know who won our contest, but for the benefit of the ones who could not attend we have proclaimed our past president of our association Roger Kelly, Mr. Legs of O.B.G. for the year 1978.

JOKE OF THE MONTH

A man buying a pizza. CLERK ASKS: "Would you like me to cut this pizza in four pieces or eight pieces?" MAN ANSWERS: "Four pieces please, eight pieces is much too much for me."

* * *

THINK ABOUT IT

Many people water their lawns in the heat of the day, this does not help the lawn but causes the lawn to burn. It is better to water in early morning or evening when the sun is not at its fullest, especially during dry spells.

* * *

DECALS

Well, with this June issue of the news all members have received their decals, we hope you like them and ask if you would kindly place one on the front window of your home. This could help us in the delivering of flyers and the news bulletin. Also members may purchase others at (35¢) each if they so desire, simply ask any of your officers.

HOW TO KILL AN ASSOCIATION IN 14 EASY STEPS

1. Stay away from all meetings.
2. If you do come, find fault.
3. Decline office or appointment to a committee.
4. Get sore if you aren't nominated or appointed.
5. After you are named, don't attend board or committee meeting.
6. If you do get to one, despite your better judgement, clam up until its' over.
7. Do no work if you can help it. When the Old Reliables pitch in, accuse them of being a clique.
8. Oppose all parties and shindigs as being a waste of time and members money.
9. If everything is strictly business, complain that the meetings are dull and the Officers are a bunch of old sticks.
10. If everything is not strictly business, complain that the Officers are ineffective and the meetings are a waste of time.
11. Never accept a place at the head table.
12. If you aren't asked to sit there, threaten to resign because you aren't appreciated.
13. Don't rush to pay your dues, let the Treasurer and directors sweat; after all, they wrote the budget.
14. Read mail from the Association only now and then; don't reply if you can help it. After all, a newsletter is easy to compose and to type! Why should you appreciate it?

OPINION

It is my opinion that many of us complain about too many things too many times. Just remember no matter how bad things are or look, there is always someone somewhere in this world who is worse off.
