FROM YOUR OBG P.O.A. President

Now that we have our slate of candidates, please attend the December 11 meeting and vote for the candidate of your choice.

GREETINGS FROM V.P.

Dave Grant, President

I recall when I was "back in Canada", one day I happened to turn on my television set, those were trying times for America. I heard a great American say to the people of his country. QUOTE: "Don't ask what your country can do for you, but rather what you can do for your country?" I believe those very words can be applied to our community, O.B.G. I also believe, with this kind of thinking, that there is nothing that can not be accomplished that we, as residents, bonded together set out to do. With the holiday season fast approaching, I would like to take this opportunity to wish you all "A MERRY CHRISTMAS and a prosperous NEW YEAR.

Ray Longchamps, V.P.

INSTALLATION OF OFFICERS

The nominating committee is working on a special installation meeting for January. We are planning on a social evening of B.Y.O.B., snacks and dancing to live music provided by our own "Doug Wark" Band. This will be for members only (in good standing). The Association will pick up the 'tab'. Your ticket for admission will be your "Membership Card". Details will be in the January issue of the NEWS.

WORTH REPEATING

It takes less time to do a thing right, than to explain why you did it wrong.

ON YOUR GARDEN AND MINE

"I used to love my garden
But now my love is dead,
For I found a Batchelor's button
in a Black-eyed Susan's bed."

A WORD TO THE WISE

O.B.G. is becoming over-run with stray cats. This is due to the fact that some residents are feeding them. If everyone would stop feeding stray cats they would find another source of food and living area. It has been known that rabid raccoons are in Florida and that they could infect these stray cats. For your own protection, STOP feed them!!!

TREATING HIGH BLOOD PRESSURE

High Blood Pressure, a serious chronic disease, has no symptoms to warn you of its presence.

Unfortunately, some people with high blood pressure think theirs is up only when they suffer of headaches, dizziness or tension. They make the mistake of taking their medication only when such symptom appear.

But controlling high blood pressure usually requires having it checked regularly and following a doctor's advice about taking daily medication.

GOLF TIP

The average player tees the ball too low for the drive. The fine player tees the ball high, usually with about half of the ball being above the top of the driver when it is solid behind the ball.

F.M.O. IS GROWING

Roger Kelly, President, has stated that we now have 52 household units as members of F.M.O. Keep up the good work, Roger.

WATER NORMALIZATION

Due to the effort on the part of the officers of the Association and funds for the lawyer's fees provided by our Association, our water use, for Units 1 & 2, has been raised from 3000 gallons per month to 6000 gallons, or an annual allowance of 72,000 gallons. Management and our Association officers settled on this amount as being fair and still within water conservation levels.
