INSTALLATION AND SOCIAL GATHERING

Our annual Installation Ceremony was held this year on January 10, at the A.C.A. Hall. Roger Kelly presided over the installation as new officers took oath.

Mr. John Arnett, the Association Attorney was present. Mr. Arnett explained in detail the water situation as it now stands. He also answered many questions asked by members.

Following this, there was food and dancing. The evening was a great success. Thanks to Mitzi Baker (Chairperson) and her committee and to many others who gave their help.

GOLF TIP OF THE MONTH

Try to remember how you missed putts--too long, too short, too far to the right or left.

If there is a pattern try changing the position of the blade, feet or hands.

Instead think of the present, the line, the distance

THE RESULTS WILL TAKE CARE OF THEMSELVES!!

VETERANS!!

President Carter last month signed into law the "Veterans and Survivor's Pension Reform Act."

The new system guarantee pensions for eligible and would give them an annual income of \$3,550.00 min. Another important reform guarantees that veterans pensions will be automatically increased each year based on the Consumer Price Index.

The new law contains a "grandfather" provision that gives individuals under the current system the choice of remaining under the old system or going to the new system, whichever benefits them the most.

Those who have questions contact their VA office.

TAX CREDIT SUPPORT NEEDED

In an unexpected development, a House-Senate conference committee on the 1978 tax reduction bill eliminated a provision that would have increased the tax credit for the elderly even though the full House and Senate had passed a bill that increases tax relief for most individuals without providing any additional tax breal under the tax credit for the elderly.

Interested members are urged to contact their Congressman asking him to support early consideration of an increased tax credit for the elderly in 1979.

NEWS BULLETIN STAFF

The older we get the more we realize that service to others is the only way to stay happy. If we do nothing to benefit others we will do nothing to benefit ourselves. We think our bulletin can be improved if a new staff takes over each year with new ideas and opinions.

Anyone interested in working on the News bulletin in '79' please contact President Virgil Coburn.

VOLUNTEERS NEEDED

President Virgil Coburn is now accepting volunteers to serve in various capacities for the coming year. Please contact him at 753-3467, if you are willing to help.
