Dear Friends,

The January Installation Dinner Dance was a huge success and we are looking forward to an equally successful year in 1982. We have projects in the making and are counting on the cooperation of you folks to complete them.

First) We are still working on the water and sewerage problem. The wheels of the Public Service Commission sure do grind slowly.

Second) Every year someone is, if not more than several of us are, faced with the 3-year Consumer Price Index increase. Have you checked your contracts? With reference to "maintenance" - does it say "basic charge"? If so, contact Virgil Coburn (753-3467) for more information!

Third) We are working for more Exits and marked exits in the Clubhouse.

Fourth) We still do not have an entrance to the Clubhouse suitable for a wheelchair.

Do you feel that these few requests are not important ?? - or important ??

Any interest in these projects benefits all of us. A little help from many sources is much better than a little help from a few sources.

Letter of resignation from Jim Lambright as follows:

To: Orange Blossom Gardens Property Owners Assoc.
President, Officers & Members, Jan. 12, 1982

It is very painful for me to write this letter of
resignation at this late date but I feel that with
my recent illness and the time it will take to re-
cover, I would not be able to spend the time and
effort to do the job of Vice President the way it
should be done. To be able to do only part of the
work I wanted to do and things I wanted to get
started would be short changing the Association,
its members, and all my friends.

I will get more involved as I recover from this
illness. I want the members to know how much their
support meant to me, and if God willing, maybe next
year?

May I wish all the new Officers and Members a
great and successful 1982.

Jim

James F. Lambright
