MEETING - Our September Meeting was very interesting and a lot of information was given. We had several speakers from the Lady Lake Fire Dept. and the Head of our Fire District. Mr. Bob Pre-Genzer of O.B.G. has, as most of you know, purchased a Fire Engine Tanker Truck and presented it to the 11th Fire District of which we are a part. The truck is for use in O.B.G. The Fire House is still to be erected and more details will be given later. We still need each and every household to be willing to donate a one time - \$20.00 per house, (not per person) to purchase the Station. More details will be forthcoming and plans to contact each and everyone. The understanding from the gentlemen from the Fire Dept. and the Insurance Company is that once we have a Fire House and Fire Protection here in O.B.G., our insurance on our homes will be less expensive. We will all appreciate and look forward to this, as it will be a permanent adjustment.
