MEETING - May 10, 1983 we had our P.O.A. meeting. It was an open meeting and we had a very good turn out. Before the meeting Mr. Gary Morse and Mrs. Ann Dotson were present, and Mr. Morse explained in detail everything that is being done in the Gardens. The Bulletin will be delivered to you monthly all summer long.

Mr. Gary Morse told us that Management is working on the Water Problem. Springstead Assoc. and Culligan Water Service have been hired to investigate the problem and send in the answers that will solve our problems. We sincerely hope it won't be long before they have answers we can live with. We have to give them credit for trying their best to solve this and give us the best water they can.

It has been brought to our attention that there have been several cars going through the Gardens at a speed that can be dangerous.

We have people who walk these roads that are incapacitated. Some have hearing problems, some have problems walking and seeing, and it is not
