BULLETIN

The Board of Directors of P.O.A. wish everyone in Orange Blossom Gardens a good holiday season and a better New Year.

The sewer and utility complex back of Nell Way and Lester Avenue should be moved out in late January or early February.

Possibly, new flags will be flying by the main gate and club house by the time you read this.

As we consider how fast we are growing we have had very few complaints registered in 1984. So we think as a community we must be getting along pretty good.

We wish to thank the owner and management for cooperating with us on so many things needed or asked for in 1983 and 1984.

It is with great hope we can continue our working together.

In the New Year may everyone try to help one another just

Parking is quite a problem, and our parking lot needs to expand - but where. I am sure management has it in their plans. We just need to be patient.

IMPROVEMENTS

We see Vermont Avenue is finished and is now a nice smooth road. No more pot holes. Be sure you obey the speed signs. Many people walk these roads, ride bicycles and golf carts and can not get out of the way of a speeding car fast enough to avoid an accident. Many of them pull to the side of the road and if you will be patient you can go past the slow moving vehicles.

CLUB HOUSE

The Club House is beautifully decorated inside and the Christmas trees are lovely. The Band Concert December 9th was very enjoyable and after we all had a chance to place an ornament on the tree and enjoyed refreshments.

CHRISTMAS LIGHTS

The homes decorated for Christmas are beautiful and at night are really outstanding. We are so glad so many of our neighbors and friends have such terrific ideas. Each one is individual and charming.

MORE DANCING

Quinton Aluminum sponsored a dance for all residents of Orange Blossom Gardens on Saturday December 17th. It was a tremendous success. We had an enormous crowd. Everyone had a great time.

There will be another dance on Saturday December 22nd for all those unable to obtain tickets for the December 17th dance.

As you read this bulletin both dances will be over but the memory will linger for a long time. Such great times give us great memories to share and to hope for more to come.

CRICKET AND JANET

The girls entertained us on the 17th with a great rendition of old melodies. It was really something and they received a standing ovation. They are doing an outstanding job and should receive all our support, admiration and respect. They are beautiful young ladies doing their best and treating everyone equally and we should treat them as we would beloved daughters.
