MEETING

Our next meeting will be Tuesday, Feb. 12, 1985 at 7:30 PM. Our Meetings are always the second Tuesday of the month. It is an open Meeting. Our New Officers will Preside. Let's all come out and Welcome them.

BULLETIN

Howard Wagner has put together a package of Coupons and other materials, which he presents to Newcomers, at the poolside, when the company photographer, George Ecker, is taking their photo for the Sun Paper.

Unit Six is filling fast and if one of you good people moving in there would like to Volunteer as a helper for our bulletin, we could use someone to deliver our paper to the homes there. To those who are not golfers, the view from the water tower site is quite impressive. The surveyors stakes, for unit Seven, are going in and you can get an idea how far north west we are spreading out to.

Lawyers report on \$640 Utility connection on resale deals. The Lawyer has sent to the Public Service Commission for transcripts of part of the proceedings of June 2, 1982. When he has them, he

will review them and give his opinion on our case then. Our problem with this case is that our fight is with the P. S. C. and they use our tax money to fight us. We will keep after this issue and keep you informed.

INSTALLATION DINNER DANCE

The Dinner Dance was held Tuesday, Jan. 8th at 6 PM. 186 people, Members and Guests were served a Delicious Chicken Dinner by Poppa J's. The serving was so well Handled that everyone had their Dinner within a half hour.

The Installation Ceremony followed. It was very well planned and interesting to everyone Present.

Mr. Harold Dodd was the Ceremonial Director and Leader. Mr. Fred Diana played for the Ceremony and Mr. Earl Snider lined up the new officers and led them in the Room to be Installed.

After the Installation there was Dancing to the Escorts. Everyone had a Great Time.

THANKS

We want to thank all those who helped us make the Dinner Dance so enjoyable. Especially: Wilma Trammell, who although she was unable to attend was there with us helping to sell tickets.

LAUNDRY ROOM

The Laundry Room has been closed by Management decision. Those who do not have other ways of laundry will have to go to the office and see what arrangements O. B. G. has planned for them. The room in the Club house can be better used (according to management) for the benefit of all people instead of the few using the Laundry. Plans are to have a laundry business in the shopping area on U. S. 27 when it is built.

The new sewer treatment plant will not be ready until possibly March 1.

The remodeling plans for the club house (which many have asked about) have not yet been finalized. We will give you what information we can get as we get it.

The new Community Improvement Council (as cited in the OBG Sun) is a good idea. We all have the best interest's of O. B. G. as our aims. The Property Owners Assoc. will help in whatever way we can.
