Until September then --

At our May meeting, we will all wish you a  
**HAPPY SUMMER!**

#### THANK YOU

We had several calls in answer to our request for a typist. We want to thank you all.

# ... PREVENT CRIME...

Auto theft skyrockets to \$146 billion a year.

Florida's part: \$215 million, \$932 thousand, \$236 dollars - up 8.4% from 1983.

There is a motor vehicle theft every 11.2 minutes. And we wonder why auto insurance goes up and up.

We at Ident-A-Car can mark all major glass in your vehicle, the mark cannot be altered or removed without destroying or removing the glass which is too time consuming and expensive for the thief.

We also mark home items, T.V., stereos, mowers, tools, etc.

So take a little time, see if we can help deter that crime.

Call (904) 344-0407 - this system is highly approved by Law Enforcement officers.

### SPEEDING

It has been reported that our ORANGE BLOSSOM GARDEN residents are ignoring the speed limits-- Also the Stop signs.

There is nowhere in O.B.G. where anyone is allowed to go more than 20 miles per hour. Just because our roads have been improved does not mean they are now a "speedway".

We have warned you several times in our Bulletins to PLEASE SLOW DOWN, and think of others.

We will be seeing more speed limit signs.

Hope you observe them so you don't get in trouble!

### SOMETHING NEW

There is a new small store one mile north of O.B.G. It is where the first buildings are going toward Ocala. There is also a laundromat on the same property. The store is in the front part.

We do not know what all is being sold there. We think it is worth checking into to see if it saves you a trip into Leesburg.

Maybe they will get a larger assortment of staples as they get more customers.

#### BULLETIN FROM THE PRESIDENT'S DESK

A WELCOME to all our new members and also all of the new residents of ORANGE BLOSSOM GARDENS. We hope everyone of you enjoy your new homes.

We will have two guest speakers at our May 14th meeting.

Mr. Bill Tindale of Ocala, Fla.

Mr. Tindale operates his own aluminum contracting firm and will appear to, in his own words, discuss the prices we should be paying for certain types of jobs, the material quality involved and to tell us to beware of some advertising tricks.

The other is a representative of a central Florida Credit Union to explain the possible benefits of joining a credit union.

Many of our people are headed out to their summer homes. Those of us who stay here will have to help keep an eye on things going on here and watch our neighbors homes for them.

The commercial development is slow to get started. It seems that promises by O.B.G. Management are always a little out of time to the actual work.

Beware of solicitors in the Gardens. If anyone knocks on your door, in door to door selling, call SECURITY and report them. This is one way to prevent shady operators of getting away with our money.

AGAIN we should like to stress that laundry should be dried in an area away from the sight of passers-by.

There is a DEED RESTRICTION about clothes lines in the park.

Steps will be taken to correct this violation before things get entirely out of hand!
