PRESIDENT'S MESSAGE

We are truly a Family!

Our last meeting developed into some lively discussions.

We had Mr. Earl Rowlette, our Lady Lake Commissioner, talk to us about the new development by Orange Blossom Gardens, which will be across the road. He told us there are 40 acres zoned for manufacturing and housing for employees and their families. There are 281 acres for an adult community, which will have its own clubhouse, golf course and pools. These facilities will be open to us, and ours, to them. This brought up some lively discussion about overcrowding. I assured the people that I would talk to management and report back to them.

It is always difficult to attend meetings, always to agree, always to be cheerful. Our hearts may be heavy, our schedules busy, our tempers edgy, But like a Family, we must co-exist with this composite group for the good of all!

FROM THE EDITOR

Our co-editor was unable to type for us last month, so your editor made a few boo-boo's.

They will all be corrected in this bulletin.

I compose the articles and Shirley types them and makes sure the necessary changes are made, such as the new treasurers name and address on the application form.

The dues are now \$6.00 per household not per person and that was overlooked. It was to be blanked out and retyped in correctly.

I am sorry I goofed but I was trying to do two jobs I was not familiar with as how that part was handled. We all try to do our best, but we all make mistakes. Sorry if I caused anyone trouble.

Mr. Hasel and Mr. Bill Podvin names were misspelled. They are also corrected.

Sincerely,

Peggy Wagner
