

VOLUNTARY ANNEXATION

Units 1, 2, 3 and parts of 4 and 5 in The Village of Orange Blossom Gardens were not annexed into the Town of Lady Lake with the rest of the development located in Lake County.

Late last month, the town notified property owners within this enclave that they will have the opportunity to voluntarily annex into the town.

These properties have been divided into "Views" and meetings have been scheduled with the property owners as follows:

- Views 1, 2 and 4 - April 14th
- View 3 - April 15th
- View 5 - April 21st

These meetings will be held at the Town Hall at 6:00 p.m.

A map was included in the notification and property owners will be able to identify the View in which their property is located.

Anyone who cannot attend the meeting designated for a specific View may call 753-2212 for another meeting date.

NOSTALGIA CORNER

The calling card was a social necessity in the 18th, 19th and early 20th centuries.

They were used for formal and social visits, serving to introduce people, foster acquaintances and encourage courtships.

When calling on friends and neighbors who were not home, a card was left on a tray in the entrance hall

The cards were folded in various ways to let the people know the occasion for the visit.

If the upper right corner was folded, it was a personal call. When the upper left corner was folded, the visit was for congratulations.

A folded lower right corner meant an adieu. Condolences were being given if the lower left corner was folded.

Finally, if the entire left side of the card was folded, it signified a call on the entire family.

MOVING THE POST OFFICE FROM LA GRANDE TO TARRSON & DUSTIN

I am directing this to the gentleman who spoke at the meeting, stating that I should stop the V.C.C.D.D. from moving the Post Office.

There are 100 steps of legal items that have to be addressed before the post office is moved. THEY ARE AT STEP 90 NOW.

The only thing I can do is tell you what you and your 80 neighbors who signed a petition can do.

The V.C.C.D.D. meeting room has 50 seats. You and your 80 neighbors should attend the meetings every month and tell the Board of Supervisors you do not want the post office re-located to your neighborhood.

Where were your people at the meeting of the St. Johns River Water Management District meeting? Where were your people at the last six meetings of the V.C.C.D.D.?

If you can get your 80 people to attend the V.C.C.D.D. meetings, I will try to get another 80 people to attend.

If your people do not stand up in opposition to this move, what do you want me to do? I am only one person.

IT'S UP TO YOU!

Have you made someone happy
or made someone sad?
What have you done with
the day that you had?
God gave it to you
to do just as you would.
Did you do what was wicked
or do what was good?
Did you lift someone up
or push someone down?
Did you lighten some load
or some progress impede?
Did you look for a rose
or just gather a weed?
What did you do with
your beautiful day?
God gave it to you, did
you just throw it away?

REPORT ON FEBRUARY 27TH
V.C.C.D.D. MEETING

I am listing below the questions I asked and the answers I received.

Q. Why was the matter of moving the Post Office removed from the agenda of the meeting of the Lady Lake Commission?

A. It will be back on the agenda soon.

Q. Why has there been no discussion of removal of the trail fee for the executive golf courses?

A. There has been no reason to bring it up.

(My response: that's what they think about us.)

A vote was taken on the 4-hour parking limit on C.D.D. property. All voted in favor of it.

No parking for any bus (for trips) unless permission is given by the property owners. Only one bus service so far has done this - - The Villages Travel Co.

You residents got what you deserve on this one. You did not stand up for your rights.

One resident attending the meeting complained about having to go to Spruce Creek for bus pick up to go to the Strawberry Festival in Plant City; and said it was a damn shame for the Villages to stoop so low as to permit **NO OUTSIDE BUSES** on "their" premises.

So residents will have to suffer the inconvenience if you or your club would like to go on a bus trip. You will have to use the Village Travel Co. bus or suffer the consequences.

REPORT ON THE MEETING OF
C.D.D. #1
(continued in next column)

Regarding lighting problems in Sumter County, three extra street lights and lights for signs to entrances will be installed.

Monies will be taken out of the surplus in the budget. Installation and maintenance will be picked up by all lot owners.

REPORT ON THE MEETING OF
C.C.D. #2

Mark Morse has resigned from the Board of Supervisors. He will be replaced by Barbara Selieu.

**FREE TRANSPORTATION IS
AVAILABLE TO LAKE COUNTY
VILLAGES RESIDENTS**

Lake County Transit offers bus service to residents who do not drive or who prefer not to drive on our busy highways.

This service, which always was affordable, is now free of charge. The monthly fee for this service is paid for by our Amenities Fees.

Pick-up locations in The Villages are as follows:

Villages Mobil Station
Paradise Recreation
Publix
Chula Vista Post Office

The route includes Lady Lake, Fruitland Park, Leesburg, Eustis, Mt. Dora and Tavares.

The brochure listing the schedule of pickups and returns and the many stops enroute can be obtained at the April P.O.A. meeting or by calling 360-6618.

**MONEY MAINTENANCE PROBLEMS
FOR EXECUTIVE GOLF COURSES
EXTENDS TO POOLS**

As shown below, the fifth hole at Mira Mesa looks like the weeds have taken over the green.

It looks as if \$125,000 is not enough to solve this problem.

But that's ok, because problems are "rolling over" to the Chula Vista pool area. See how the coating on the walkway is coming up? And the restroom area concrete is in bad shape.

But that's ok. This is still a beautiful place to live.

DID YOU KNOW????

In the Florida Keys are some places where you can watch the sun both rise and set from the same chair.

WHAT'S NEW?

The developer (Villages of Lake-Sumter, Inc.) will be seeking approval of plans for C.D.D. #3 from the Sumter County Commissioners.

SO - - for all you people who have been saying there are not enough executive golf courses, now is the time for you to step up and be heard.

Two (2) executive golf courses in 1,000 acres for 7,000 people is not what I thought I was buying into - - - only two (2) tee times per week.

TWO (2) EXTRA executive golf courses are needed to accommodate this many residents.

Let the commissioners know there should be FOUR (4) executive golf courses if they intend to approve the developer's plans.

Remember, it does not cost the developer a penny because residents pay for it when he sells to the C.D.D.!

THIS MATTER WILL BE ON THE AGENDA OF THE SUMTER COUNTY COMMISSIONERS AT THEIR MEETING AT 6:15 P.M. ON APRIL 14TH.

We Furnish America with Value!

Two tragedies in life: One is not to get your heart's desire. The other is to get it.

NUMBER OF TEE TIMES REDUCED!

Boy, this has been a bad year for trying to get tee times on the executive courses!

The magic number for February and March was three (3). That's three times in 10 days. THAT'S BAD!

I mean, last year it was five times in 10 days. That's every other day. This year one time in three days. THAT'S BAD!

What does next year hold? With the current V.C.C.D.D. set-up, there is no need for this.

We should have more golf courses. We are paying for them. but this is not happening.

But that's ok. No one is standing up for their rights here. If you know how to beat the system, you can play golf every day. RIGHT?

REMINDER TO SUMTER COUNTY RESIDENTS OF C.D.D. #1

For the first time, you will have the opportunity to vote for two (2) members of the Board of Supervisors in November without the developer casting any votes!

More importantly, two residents have the opportunity to be candidates for election to the Board..

They have until **noon on July 17th** to file the necessary papers to qualify as a candidate:

- 1) a statement of candidacy,
- 2) a financial disclosure form, and
- 3) the signatures of 87 or more qualified electors of the district on a petition.

They also need to execute the loyalty oath and have a campaign treasurer and bank account.

Those who do not wish to stand for election could offer their support to a district resident they feel would represent the best interests of all district residents.

WHEN IS EASTER?

How often have you been asked: "When is Easter this year"?

I am one of those hapless people who is extremely fortunate to even know what day of the current week it is. I have, however, developed an answer for whenever this question is asked of me.

While my answer is true, I admit it is not of great help to the person posing the question. But I can never resist saying: "Easter is the first Sunday after the first full moon after the Equinox."

It works for me.
