Open Forum: Questions asked that will be answered in future Bulletin articles include:

It is difficult to see the tunnel signs when driving a golf cart at night.

It seems that the cost of the renovation of Santiago Recreation center is high.

Is there an update on the renovation of the Church on the Square. Is it true that Sunday services may return? Will entertainment on the square be affected when performances are held at the Church?

If there is a financial penalty determined by the IRS, who will be responsible for the dollars involved?

Is there an update on the golf cart path striping?

The speaker, John Rohan, Director of Villages Recreation, updated attendees on the recreation plans in the Villages. He answered many residents' questions.

There being no further business, the meeting was adjourned at 8:10 PM.

Coffee, donuts and good conversation was available after the meeting.
